01

Reddam House Summer Camps

Day and Residential camps for 8-17 year olds

Reddam House is in a magnificent mansion building, surrounded by private woodland and the English countryside.

Our fun and flexible summer camps are filled with excitement, activities and challenges.

They offer an unparalleled opportunity for your child to experience personal development, cultural sharing and a fresh approach to education.

There are a variety of camps and activities to choose from, morning can be spent learning a language and building robots in STEAM class, to afternoons of outdoor pursuits, sports or performing arts. Campers will also have weekly excursions to wonderful and enriching sites allowing everyone to share and see the local culture and make long-lasting memories.

We believe camps are an essential part of life; learning skills such as personal development, independence, communication, tolerance, and sharing are all aspects that will stay with a person and shape who they become. The school's impressive location and facilities, alongside highly qualified leaders and teachers making it the ideal setting for a summer camp experience.

02

Fun and Flexible Camps

2 Week Long Summer Camps

17th July to 30th July 2022

31st July to 13th August 2022

Filled with excitement, activities and challenges, our unique camps are hosted within in our stunning 125-acre private campus.

Camp Options

Our camp sessions are for a duration of 2 weeks, the mornings and afternoons are split so you can best decide the camp for your child, by choosing one morning option and one afternoon option.

Our highly qualified teachers and instructors help campers learn and share experiences in a safe environment.

MORNING OPTIONS

Choose one morning option

- Language
- STEAM

AFTERNOON OPTION

Choose one afternoon option

- Adventure Camp
- Multi-activity Camp
- Performing Arts Camps

There is also the option to attend as a day camper or to be a residential camper and board at Reddam House.

MORNING OPTIONS

1. English

English is spoken throughout the camp, so for those learning English, it's a 360' learning environment. Our native speaking teachers tailor the lessons to fit each camper's level, learning style and interests. We have small groups to give the best experience and incorporate weekly excursions and activities to further those skills.

2. French

Our native French-speaking teachers are highly qualified to teach French as a foreign language, and the lessons are modified for each camper and their level. Our aim is to build confidence and enjoyment in the language.

3. STEAM

STEAM (Science, Technology, Engineering, Arts, Mathematics) is a new and exciting way to learn, our tailored activities and workshops are designed to fit each child's level, learning style and interests.

A unique opportunity to create inventions using robotics, design, art, science and more. Our teachers will build curiosity and help the campers develop their creative minds.

They will each have small creations to take home from their memorable experiences.

AFTERNOON OPTIONS

1. Adventure Camp

Adventure camp is designed to show the best of the outdoors. Reddam House has a military background, its own Army section of the Combined Cadet Force (CCF) and 125 Acres of safe and equipped forest to explore. Our skilled instructors will show what it is like to be a real explorer.

As a group, campers will do outdoor pursuits, learn survival skills such as fire building, navigation, and try new challenges like rock climbing and canoeing. The campers will learn and develop life skills, appreciate their surroundings, and connect with nature, with teamwork at the camp's core.

2. Multi-Activity

The incredible sports facilities mean campers will experience activities and sports from football and tennis to rockclimbing and mountain biking. Our trained instructors will get the most out of everyone and tailor the activities around the group's abilities and age range.

3. Performing Arts

Our performing arts camp will get campers to dance, act, sing and use all the creative bones in their body. Led by our professional team, we make use of the fantastic theatre to showcase our creativity. In the final week, the group will perform to the other campers.

03

Facilities

Reddam House has world-class sports and performing arts facilities for campers to enjoy.

Sports Facilities

Reddam House Sports facilities include a 25m indoor swimming pool, a fitness suite, a brand new 4G hockey astro pitch, 5 netball courts, 4 outdoor tennis courts, multiple rugby, football and cricket pitches.

Performing Arts Facilities

The Performing Arts facilities include a 350-seat professional theatre with state-of-the-art lighting, sounds and audio visual equipment.

04

Excursions

Academic & Cultural Excursions

All of our campers go on two excursions during the camp. Example experiences include London Eye and Thames boat cruise, Windsor Castle, London Science Museum, The Natural History Museum, Matinee at London theatre, Oxford city visit.

Big Day Out Excursions

At the weekend our residential campers will go on fun filled big days out to a popular experience such as Thorpe Park theme park, Harry Potter Studio Tour at Warner Bros. or LEGOLAND. (All age specific)
