

Summer Newsletter

We hope that you enjoyed the Jubilee Bank Holiday weekend, and that your children are looking forward to their upcoming summer holidays.

In this edition, we focus on higher education, including how to bolster a UCAS application and exploring alternatives to the Russell Group of universities.

UCAS application guide

With the number of UCAS applications increasing each year, we explore some ideas of how to make sure yours stands out from the crowd.

Alternatives to the Russell Group

Our consultant, Sarah, provides advice on non-Russell Group universities, covering the benefits, available courses and including thoughts from some of our previous clients.

Need help with interview practice or exams?

Our tutors attended a host of prestigious universities, including Oxford, Cambridge, Imperial College, and UCL. They have since used their expertise to help aspiring students to obtain their places at these same institutions and will put you in the best possible position to succeed.
